CHAIRMAN'S MESSAGE

Dear Members

Another busy month, with our selection evening for the Victorian Festival Craft Exhibition - do come along and see the wonderful work of our members. It was good to see such a good attendance at the Science event and aren't we fortunate to have access to such professional people. I had a very pleasant afternoon with Rhayader WI to help them celebrate their 80th Anniversary-it was lovely to see you all and their craft display. The following day we enjoyed the Federation walk in Kilvert Country, Clyro & Llowes provided a very welcome cup of tea on a very hot afternoon. The joint Federations Treasure Hunt was interesting and great fun, our final destination was the Greyhound in Builth Wells where we all enjoyed an afternoon tea. Thank you Llangunllo for making us so welcome at the Poetry & Prose evening - the hall was set out beautifully. Congratulations to Brenda Cleaton, Fron WI, on winning the Jean Woosnam Silver Salver, to Alison Thomas, Stowe & Stanage WI, for gaining second place, Edwina Griffiths, Bryngwyn WI on third place and Marion Pocock Fron WI, and Linda Davies, Aberedw WI, both Highly Commended. Valmai Davies did a wonderful job.

My thanks to Tremont WI for kindly volunteering to represent Powys Radnor Federation at the Wales Quiz in Llanelli - I know that they had a fun evening.

Because we had to cancel so many of our fund raisers this last winter, the Board of Trustees have decided to run a County Raffle, to be drawn at the Taste of Christmas - I would appeal to members to please support this venture. We will be asking members to help, by selling and buying tickets. Could I point out to you, that we have been advised by the Charity Commissioners, that it is not permissible for an Institute to purchase raffle tickets or Millennium Club tickets - they can only be bought by members.

My best wishes go to Aberedw WI and Felindre WI who will be representing the Federation in the Brecon Cup and Rose Bowl Competitions respectively.

Please enjoy your holidays, WI outings or just sitting in the garden and come back refreshed to enjoy the events that are planned for the Autumn, starting with the All Wales Inter Federation Sports day - do come along and cheer on our members. This will be closely followed by our Harvest Festival and supper at Llanelwedd.

Best wishes.

Rebe.

Bottled Water in your car is very dangerous - it
has been identified as the most common cause of
the high levels of dioxin in breast cancer tissue.
Women should not drink bottled water that has
been left in a car. The heat reacts with the
chemicals in the plastic of the bottle, releasing
dioxin into the water, dioxin is a toxin increasingly
found in breast cancer tissue.
